

Dear Parents and Golf Campers:

We are excited to spend the upcoming week(s) with your junior golfer! We look forward to sharing our passion for the game of golf. Our JRGA PGA Sports Academy is a unique long-term junior development program designed to bring the next generation of golfers to the sport in a fun and interactive way. This will give every junior the opportunity to enjoy golf either socially or competitively, based on his or her individual desire.

Each day will consist of instruction, drills, on course time, games and, of course, snacks! The intent is to make sure all campers have a great week and improve their skills, knowledge and passion for the game of golf. As the camp progresses students have the opportunity to take their skills to the course where instructors and assistants help optimize the golfer's game. Course management and etiquette are stressed each time the golfer is on the course.

Please note: Beginners will spend the majority of their time learning the game and working on the skills to be successful when they ultimately step out on the course. Skill level and instructor assessment are the determinants in how much time your golfer will spend on the course.

Unless there is a medical reason that prevents it, all golfers will be *required* to walk the golf course. Golfers with junior-sized clubs should be prepared to carry their bags or bring an appropriately sized pull/push cart to camp. As needed, we can provide pull/push carts for golfers with full size clubs.

Golf shoes are encouraged but not required. If your junior golfer does not have golf shoes, their shoes should be comfortable, provide lateral support and have soles that do not slip in grass (running shoes with aggressive tread designs work well).

Other optional items to make your golfer more comfortable during their time with us: sun block, a golf cap, sunglasses, a golf glove, and bottled water. Because we often experience cool ocean breezes near the end of the day, we suggest your junior golfer pack a wind shirt or sweatshirt.

**PARENTS:** Make sure you have submitted your "Registration" form and "Medical Treatment Authorization" form prior to start of the camp. If needed, please find them on our summer camp page to print and complete.

**CHECK-IN:** Monday @ 12:30 on the Bayonet Putting Green (Next to Golf Shop).

Half Day Camp: 12:30 to 3:30pm.

Full Day Camp: 12:00 to 5pm

Sincerely,

Justin J. Russo
